

# Jackson Road Elementary School

## PTO Wish Catalog

Jackson Road Elementary is becoming known as the “innovative” school! The school has added the amazing Makerspace and continues to look for new and innovative ways to teach and engage students.

The school’s newest endeavor is to create “Flexible Learning Environments” in each classroom. This is a technique that steps away from traditional desk and chair learning to a much more interactive and collaborative learning environment allowing students to learn where they are comfortable.

As you can imagine, this can be a costly venture! Jackson Road Elementary’s PTO has partnered with the teachers to create the Wish Catalog in an effort to make creating Flexible Learning Environments a Community Goal.

It is our hope that most of the items needed are laying around our homes not being used. If you have an item listed in this Wish Catalog that you are not currently using we would love to put it to good use! As yard sales start popping up you may also find needed items; it is our hope that you would pick these up and donate them to the school.

Of course, there are still items that will need to be purchased. If you are in a position to do so, please feel free to make a cash, check, or gift card donation to the PTO. Your donation can be for a specific item, specific classroom, or it can be a general donation.

A few notes:

1. Please keep fabrics in mind when donating items. We are trying to stick to leather, micro-suede, and other easily cleaned fabrics.
2. Feel free to purchase new items from the Wish Catalog and drop them off at the school. Most of the items can be found on Amazon.com or at WalMart.
3. If you have a large item you wish to donate, please contact the teacher requesting the item to make sure the item is still needed before you deliver it to the school.
4. Please SHARE this Wish Catalog with your friends and families! You never know who may have what your child’s classroom needs!

Please contact Kelley Henderson with any questions at (404) 273-2789 or [kelleyrhenderson@gmail.com](mailto:kelleyrhenderson@gmail.com).

**Pre-K: Mrs. Marcoux & Mrs. Barcus**
